Peter Anthony is a producer, Paranormal Expert, contributing writer for several spiritual magazines across the country, author of *Key Master*, and a Numerology Life Coach. In 1987, the after effects of a NDE presented an inexplicable abilities and gifts. He was suddenly able to see auras, gained psychic abilities and given the gift of mathematical codes such as; 33, 222, 333,444, as well as a series of 0.000's followed by a series of 01.111's. This played a life changing event in Anthony's life. His extraordinary artistic talents vanished, and were replaced with arithmetical knowledge, allowing Anthony to become an expert in Numerology.

Peter is known for his impassioned presentations. Come meet him – and bring your questions!

**Peter Anthony** In 1995, Peter's NDE abilities landed him on Fox's hit TV paranormal show, *Sightings*. As a psychic detective, working alongside a team of paranormal and forensic experts, he helped resolve forgotten murder cases, as well as exploring haunted houses, cemeteries, caves and concentration camps. Though his NDE account met resistance from many, Hollywood VIPS behind closed doors heard about Peter's gifts as an intuitive, and began booking private sessions for themselves, as well as their family, friends and colleagues. Peter has written two books – *Key Master* and *The Accidental Prophet*. (On Amazon, more than 90% of reviews were 4-5 star.) He has appeared on *The Leeza Gibbons Show*, *Borderline*, *Beyond Belief; Fact or Fiction*, *Celebrity Séance*, *Coast to Coast*, *The Jesse Dylan Show*, among others.

**Workshop: Saturday, August 20<sup>th</sup> at A.R.E. 2-4 p.m. "Thoughts from the Other Side"**

The evidence of our thoughts plays a pivotal role in the outcome of our destiny. *Energy goes where thought goes*, is more a reality than we can imagine. Peter Anthony's life review demonstrated the importance of ones' thoughts. Our choices (thoughts) can easily navigate us to the shores of happiness... or to the shores of despair.

*"I was given three months to live after my surgery, according to the medical doctor," says Peter. "When you're given a death sentence, you learn that different choices are necessary. When I died and came back... I knew I was given a second chance for a reason. Learning to listen to my inner voice became my outer compass,"*

Come and try something new! Learn how Peter Anthony listened to the divine voice from the other side and how it changed his life. Admission \$15.

**FIL Service: Sunday, August 21<sup>st</sup> at 10:45 a.m.**

Peter will also be speaking at the Fellowship of the Inner Light (FIL), located at 620 14<sup>th</sup> Street (between Mediterranean & Cypress), in Virginia Beach. He will give a thirty minute talk about similar topics covered in the presentation described above. Meditation starts at 10:30 a.m. and Service begins at 10:45 a.m.
